Proceedings of the Three-Man Committee Inspections on 28-5-1963 for release of lands for the expropriated ryots of the S.V.H.E.P.area.

Present:

1) Sri Y.M.L.Sharma, B.Sc.,A.I.F.C., Conservator of Forests, Shimoga;
2) Sri H.L.Nage Gowda, B.Sc., LL.B., Deputy Commissioner, Shimoga.
3. Sri S.Obeidullah, M.A.,B.L., Special Officer for Rehabilitation and Irrigation Development in T.B.S.Projects, Shimoga.

During the inspections on 28-5-63 by the Three-Man Committee, the following decisions were taken regarding the areas mentioned below:

1) Kumsi State Forest S.No.204 - 150 acres:- This area is rich in Teak and was found to contain some mature rosewood also. In addition, it is situated abutting the waters of the Anjanapura Reservoir in the catchment and needs to be preserved under forest. Therefore the proposal to release this area of 150 acres was rejected.

2) S.No.185 of Kalmane - Karadibetta State Forest, Anandapuram Range -70 acres: This 70 acres is situated below the new site cleared for establishing a large nursery at Mastibyle and situated between the nursery and the river. It is a rich teak bearing area with young regenerations of bamboo. It was decided to reject this area from release to the expropriated ryots.

3) Karadibetta State Forest S.No.185 (near Kattigehalla) -70 acres:- The area asked for was 70 acres. This is adjacent to the already released area of 120 acres. In view of the fact that the settlement of the expropriated ryots would be in a compact block, it was proposed to release 150 acres instead of 70 acres in this survey number. (The Assistant Engineer should be asked to demarcate an area of 150 acres instead of 70 acres as already demarcated for settling the ryots).

4) Arashinagere - 16 acres as follows:-

	S.No.102	- 8-20 acres
Yerekoppa	S.No. 1	- 1-20 acres
Hireharaka	S.No. 15	- 6-00 acres
	Total	16-00

This 16 acres is adjacent to Yerekoppa S.No.1 and is in continuation of the area already released. Therefore it was decided to release this 16 acres also as it does not contain valuable crop.

5) Udugani Minor Forest S.No.210 - 35 acres:- This area is adjacent to Hiduvali lands and does not contain any good growth and therefore it was decided to release this area.

6) S.272 in Chittoor Minor Forest - 10 acres 20 guntas.- This is also adjacent to hiduvali lands and was agreed to release the area.

7) Korlikoppa (Belandur State Forest) S.No.68 - 35 acres:-

As it is reported by the District Forest Officer that the area is fit to be released for the expropriated ryots, it was decided to release this plot also to them for cultivation.
